Khan Academy + CollegeBoard

Suggested timeframe of completion: Beginning of School Year- October 1

Next year you'll be taking the SAT which is a requirement to receive your high school diploma. Give yourself a leg up by starting to prepare this year. If you've already taken the PSAT then one great way to get FREE personalize SAT training is to link your College Board account with your Khan Academy Account.

Not sure how to get started? Check out this short tutorial from College Board.

Once you've connected your accounts.
